REQUEST FOR CERTIFICATE OF CORRECTION

Sir:

In accordance with the provisions of 37 C.F.R. 1.322 of the Rules of Practice, the Patent and Trademark Office is respectfully requested to issue a Certificate of Correction in the Patent and Trademark Office as shown in the attached Form PTO 1050 and as set forth below.

In column 6, after claim 18, insert claim 19

--19. An electric power and cooling system for supplying electric power and conditioned air to an aircraft having at least one engine, said system comprising means for bleeding air from said at least one engine, means for precooling said bleed air, means for delivering said precooled air to a means for further cooling said bleed air, a single shaft, a power turbine mounted on the shaft for receiving said further cooled bleed air directly from said further cooling means, a cooling turbine mounted on said shaft and also receiving said further cooled bleed air directly from said further cooling means, a generator mounted on said shaft for

supplying electrical power to aircraft electric systems, and a fan mounted on said shaft for creating a flow of air which is delivered to said further cooling means to act as a heat sink.--.

As this mistake was the fault of the Patent and Trademark Office, it is believed to be in order for the Patent and Trademark Office to issue a Certificate of Correction and to place such a Certificate of Correction in the file, so that such will appear on any of the copies of the patent which are ordered in the future.

Two (2) copies of Form PTO/SB/44 embodying the requested correction accompany this letter.

Since the errors were the fault of the Patent and Trademark Office, no fee is believed to be due. If any fees are required in connection with this case, it is respectfully requested that they be charged to Deposit Account No. 02-0184.

Respectfully submitted,

Louis J. Bruno et al.
